Sir:

Applicant hereby petitions the Director of Patents and Trademarks to credit the \$700.00 charged on the October 31, 2005, monthly statement of deposit account 03-0778 (attachment A) for the above-identified patent application. The monthly statement of deposit account indicates that the \$700.00 was charged to deposit account 03-0778 on October 25, 2005, to cover a second issue fee due December 7, 2005. However, applicant had already paid a first issue fee when the first issue fee was paid July 13, 2005.

BACKGROUND

A first notice of allowance and issue fee(s) due was mailed by the U.S. Patent Office on April 13, 2005. In response to the first notice of allowance and issue fee(s) due, the applicant filed Part

B - Fee(s) Transmittal on July 13, 2005 (attachment B), which included a check for \$1,700.00 (attachment C) and a postcard receipt (attachment D). As you can see from attachment B the 5(b) category was checked advising the applicant was no longer a small entity and therefore the check was for \$1,700.00 which included \$1,400.00 for the utility issue fee as a large entity plus \$300.00 publication fee.

On July 29, 2005, applicant filed a petition to withdraw this application from issue due to an inventorship problem. This petition was granted on August 4, 2005. On September 7, 2005, a second notice of allowance and fee(s) due was issued.

On October 19, 2005, applicant filed a second Part B - Fee(s) Transmittal form (attachment E) and a letter (attachment F) requesting the Commissioner re-apply the previously paid issue fee of \$1,700.00 that was paid on July 13, 2005, to the current issue fee payment. As you can see from attachment E applicant again checked category 5(b) indicating applicant was no longer a small entity status.

ARGUMENT

Enclosed herewith is a copy of the PTOL-85 Form Part B - Fee(s) Transmittal dated July 13, 2005 (attachment B), a copy of the cancelled check for \$1,700.00 (attachment C) and a copy of the returned postcard receipt from the U.S. Patent Office showing receipt of the check for \$1,700.00 (attachment D).

Also enclosed is a copy of the second PTOL-85 Form Part B - Fee(s) Transmittal form dated October 19, 2005, (attachment E), a copy of a letter to the Commissioner dated October 19, 2005, requesting the Commissioner re-apply the previously paid issue fee of \$1,700.00 paid on July 13,

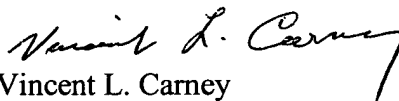

2005, to the current issue fee payment dated October 19, 2005, (attachment F) and a copy of the returned postcard receipt (attachment G) from the U.S. Patent Office showing receipt of the letter to the Commissioner dated October 19, 2005.

REQUEST

Since the applicant paid a first issue fee in response to a first notice of allowance and issue fee due as indicated by the enclosed returned postcard receipt (attachment D) and the cancelled check (attachment C), applicant hereby petitions the U.S. Patent Office to credit deposit account 03-0778 the \$700.00 which was debited to the account on October 25, 2005, as payment of a second issue fee due in response to a second notice of allowance and issue fee due.

If it is determined that applicant is required to pay the issue fee a second time, then applicant hereby petitions the U.S. Patent Office to deduct another \$700.00 from deposit account 03-0778 to cover the fee for a large entity.

Respectfully submitted,

Vincent L. Carney
